Dan McCarty High

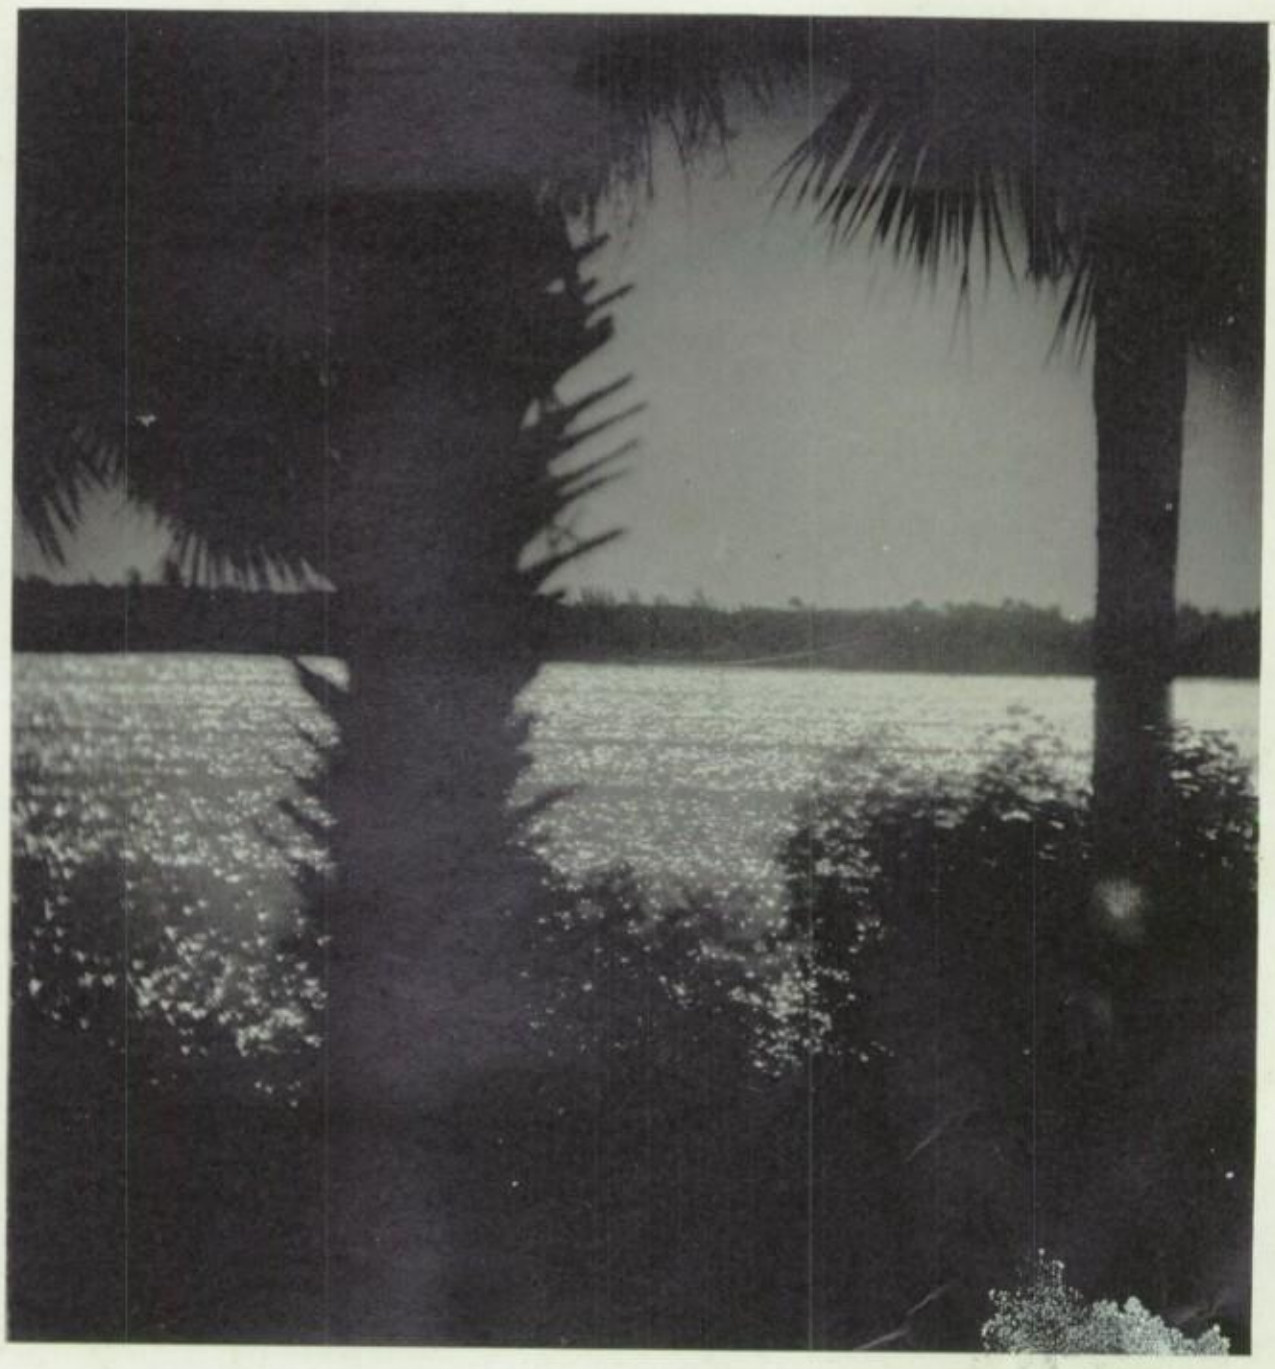
Fort Pierce, Florida

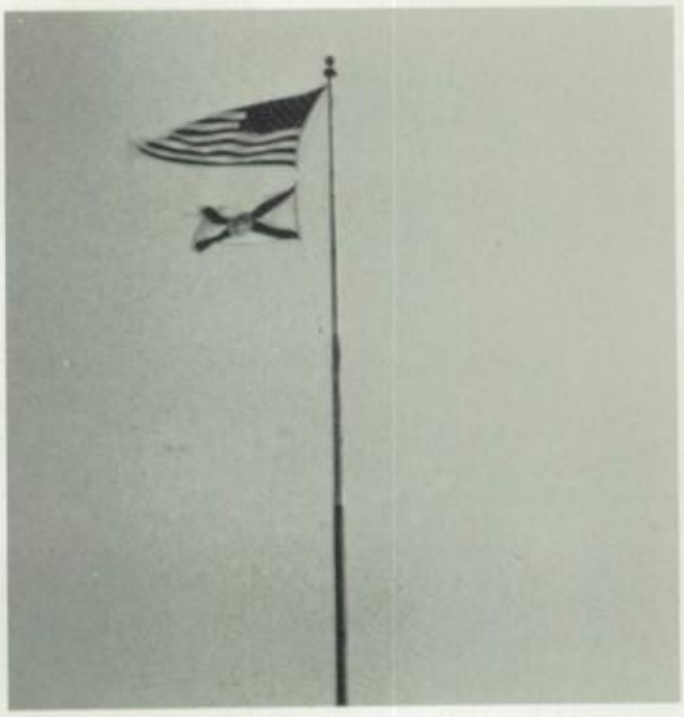
Alma Mater

Beneath the glowing sun and nights
with glistening stars.
There stands a place that e'er will
be in our memory
The school where we lived and laughed
and learned — our happiest years,
To McCarty High, our Alma Mater, All
praises be.

Then comes to mind the thoughts of
things we used to do,
Our football games, our stunt night and
our annual plays.
Tradition cherished to each class
and customs tried and true,
All these and many others remind of
youthful days.

Beneath the glowing sun and nights
with glistening stars.



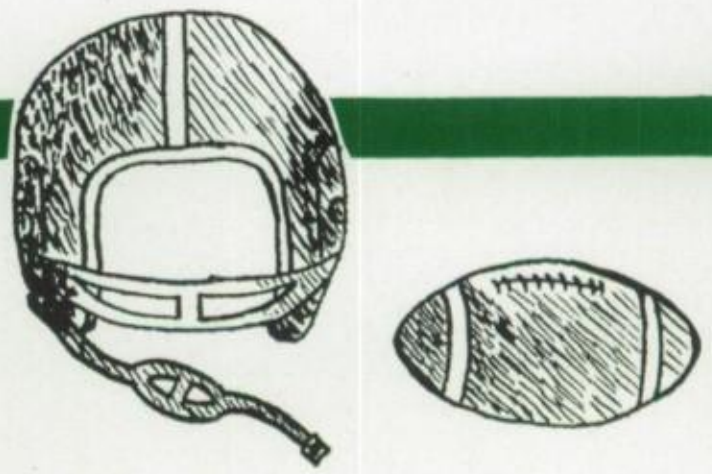


There stands a place that ere will be
in our memory
The school where we lived and laughed
and learned — our happiest years...

To McCarty High, our Alma Mater, All praises Be.

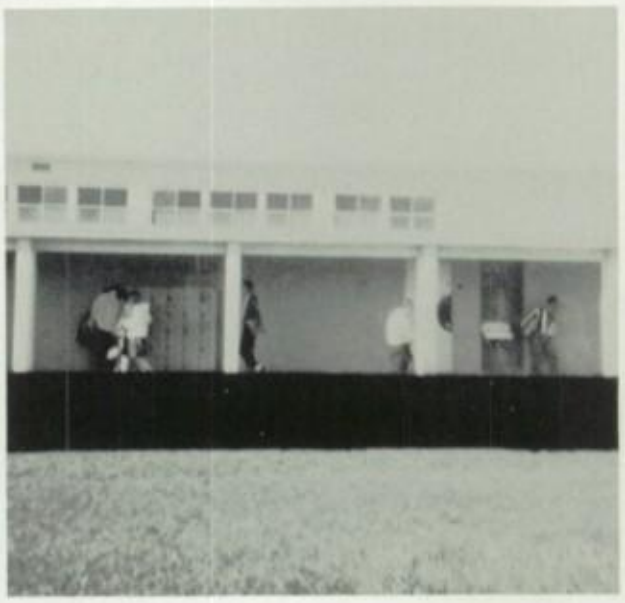
McCARTY

Then comes to mind the thoughts of things we used to do,

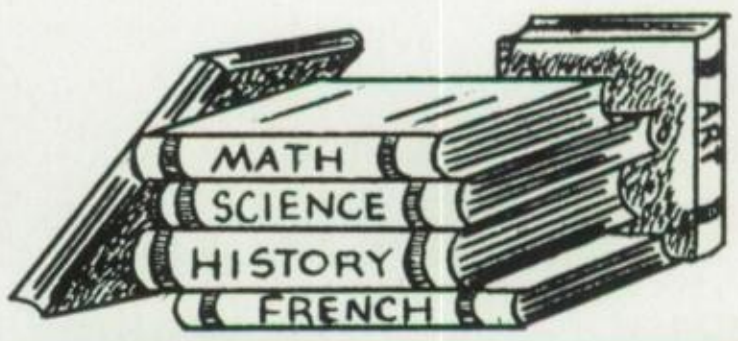


Our football games, our stunt nights
and our annual plays.

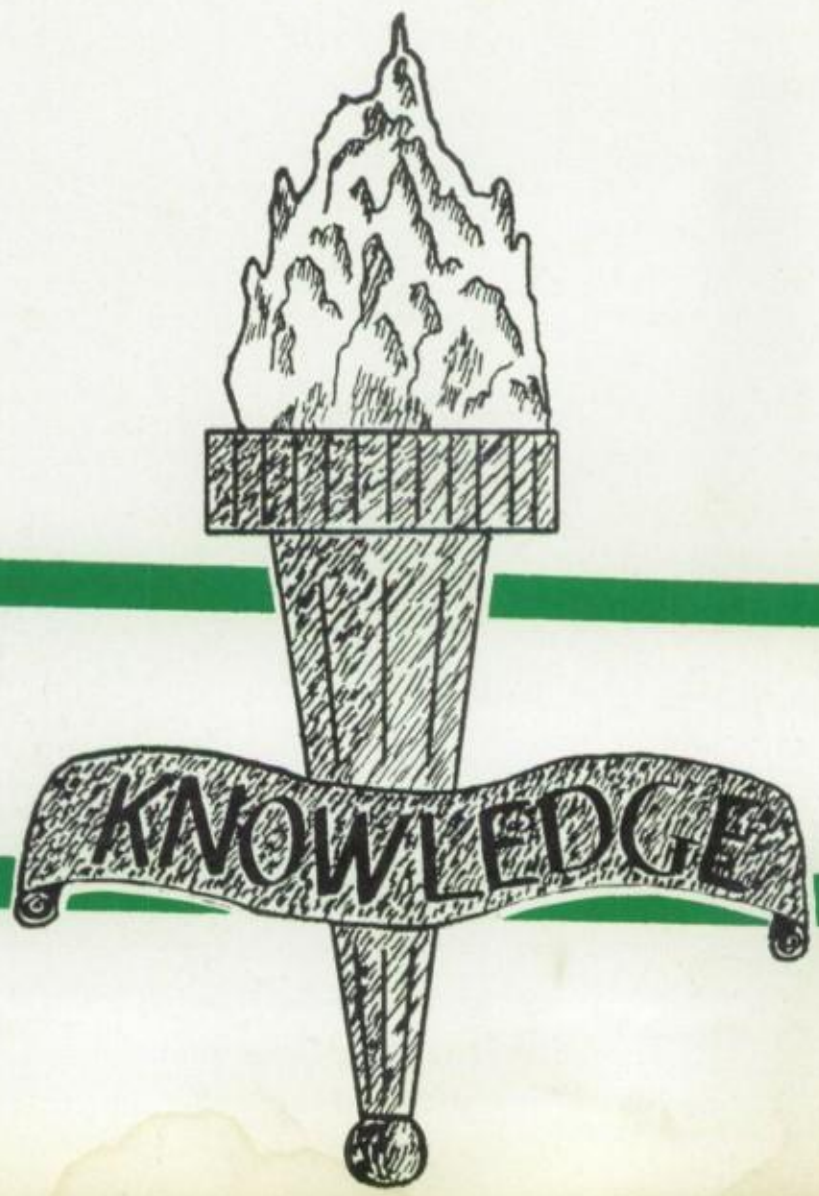
Stunt night

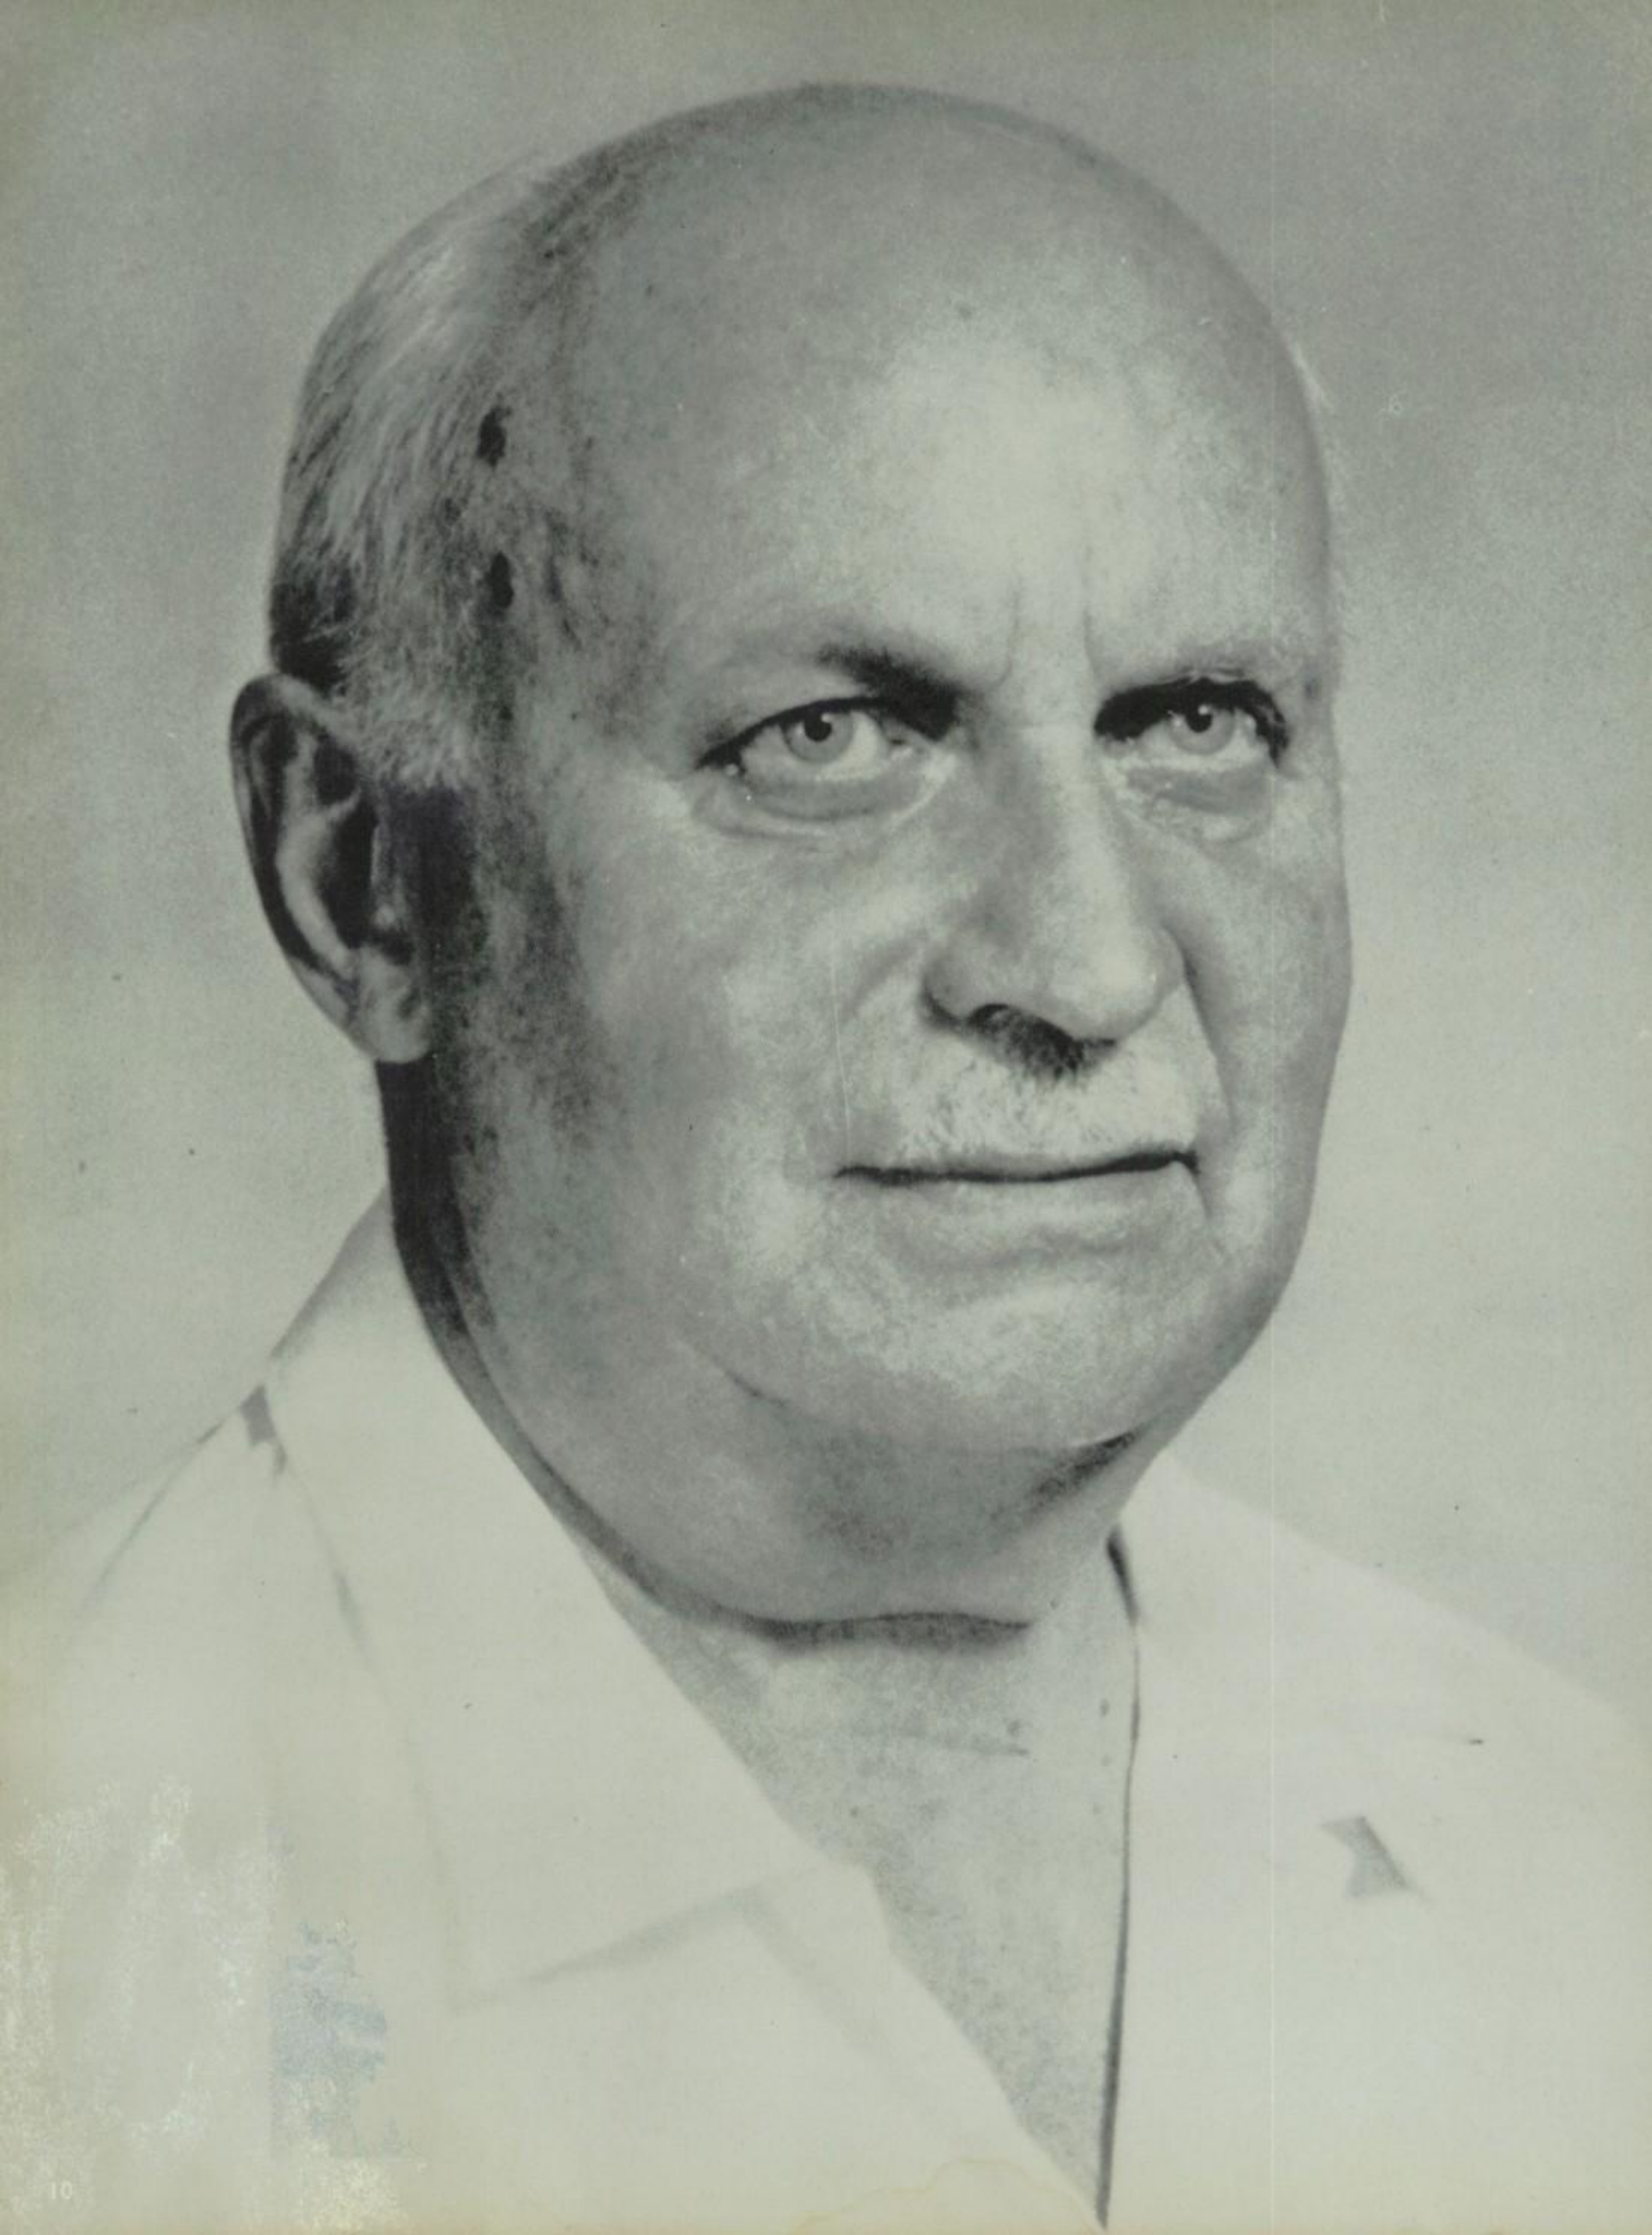


Tradition cherished to each class
and customs tried and true,



All these and many others remind of youthful days.





Dedicated to:

We, the yearbook staff of 1965, have chosen to dedicate our edition of the Santa Lucian to a man who has spent the major part of his ten years at Dan McCarty working to produce leaders for the world of tomorrow.

Never failing to give aid when it is needed, he is a friend to all.

This man, whom we all so greatly love and admire, spends most of his waking hours within the walls of our refuge helping us to better understand the world in which we live.

Therefore with deep humility and highest regard, we dedicate our Santa Lucian to William W. Dartnell in appreciation for the light, guidance, and brotherhood which he has contributed to the lives of students and faculty at Dan McCarty High School.

FACULTY

County Administration

MR. BEN L. BRYAN

Superintendent of Saint Lucie County
Board of Public Instruction

In the intricate but fascinating work of providing satisfactory operation of the county schools, the St. Lucie County Board of Public Instruction looks to Superintendent Ben L. Bryan and his staff for leadership and guidance. Through years of experience in school systems Mr. Bryan has gained a vast amount of knowledge concerning the needs of various schools. He has seen the schools of this county advance in giant steps and is putting forth his full effort to see that the rate of progress continues.

COUNTY BOARD

MR. RAYMOND M. GOUGH, Principal

TO THE SENIORS:

On June 7, 1965, you will be graduated from Dan McCarty High School. The first step in your formal education has been completed. You are the only ones who can judge as to its effect on your future plans, either at college, marriage, work, or entry into the armed forces. The school officials of St. Lucie County, in cooperation with the State of Florida have endeavored to offer you various courses to fulfill your goal, and the faculty of Dan McCarty High School has tried to develop your capabilities to the fullest. I hope that each and every graduate of the class of 1965 will develop into a responsible citizen of the nation. Best wishes to each of you for a full and rich life.

Seldom at the beginning of a journey does one think about the sadness that will be felt as he reaches his destination. Neither did we, as Rats, embark in this expedition with the apprehension which now appears near the last lap of the way.

Our journey began in September, 1962, near an enormous pile of shoes, in which we were to find our own pair. By the end of the Rat Week we had proved ourselves to be Eagles *born*—

Naturally we looked up to the seniors, and set our sights by them. Our officers, President Joe Godfrey, Vice-President Charlotte Wood, Secretary Susan Strange, and Treasurer Lynn Peterman took their cues from their "superiors" and we were on our way. Being the class that we are, we had to have a say in the management of things, so we elected Sandy Park, Frosty Jordan, Bob Melton, and Mike McCarty to voice our opinions in Student Council.

The eight sophomore Varsity football players did not lessen our Eagle image either, as we pressed on through football season. The pep rallies were unbelievable—the team never entered a game without the full support of the sophomores. We were so taken in by the closeness

of the students, and we were soon caught up in the whirlpool of Homecoming.

Along with preparations for the parade (how could we forget the late hours in the garage), we were rebounding from the first impact of six weeks' tests, something we hadn't foreseen. Looking back to Homecoming, 1962, we find the silhouette of many mixed and busy memories . . . Taking shifts for selling mums at the trophy case . . . extra-spirited practices for the players . . . Despair in decorating the float, "Carousel," to go with the theme, "Broadway Plays" . . . Feeling your heart pounding wildly at the big pep rally . . . Getting that funny flutter at seeing the Indian fall . . . Sharing all the excitement with our Guatemalan Amigos who became fast friends . . . Rushing to line up floats for the parade . . . Bursting with pride at winning "Most Adherent to the Theme" with our float (at last we had made our mark on McCarty High . . . and finally, the game, a 6-6 tie.. Our first Homecoming was an unforgettable part of our sophomore year.

Everyone was working fervently to pull the average necessary for service club bids which were to be given at the beginning of the second semester.

Forty-one members strong, the glee club presented its annual Christmas concerts around town as the Yule Time arrived. A whirl of parties, dances and Season cheer highlighted the Christmas Holidays, and we found ourselves enjoying the luxury of the brief vacations.

1963! A new year and we started it with a bang . . . semester tests! Though most of us were awed by these "student nightmares", we found some consolation in having to go to class only for tests. Still recuperating from those sleepless nights, we began the long hours of projects for the Science Fair, but we all felt proud when we saw them all exhibited.

With the next few months came Spring sports and warmer weather. Twelve sophomores swam with our team that year and represented us well at the finish line. Remember the honey and the orange juice on the bus en route to those meets? Our class boasted four members on the golf team that year and five sophomores put on the whites for the tennis team. Outstanding in individual achievements twelve of our boys participated in track sports in 1963. March, of 1963, also saw the first beards of the Sandy Shoes Festival. Though many girl friends and faculty members were at first leery, D.M.H.S. boys stuck with it and soon the whole school got into the Centennial spirit.

Baseball coach, Chris Shay, with his Sandy Shoes beard, worked hard with our baseball team that year, and sophomores Bobby Snyder, Chuck Hughlett, and Wayne Fuzzard were an asset to our winning team.

of us served as slaves that night, and as we saw the seniors in their grand march we realized that our first year at McCarty was near its close.

The top girl students of our class were recognized for their achievements by being chosen to honor the seniors at Class Day by being in the Daisy Chain.

Our first looks at Class Day left many of us with an indescribable feeling. We were impressed beyond words, but most of all, sad. We bade farewell to the class of '63 that had led us for a year and had been our friends. Would it be the same McCarty next year with them gone? No. It wasn't the same—a third of our journey through Eagleland was completed and a third of the school we had known was gone . . . but it seemed like more was gone when we faced the corridors at school the morning after Class Day. It wasn't the same—but our pride of knowing we would return at the end of summer as juniors made us vow to work harder—helping our class of '65 leave our own mark in the Halls of Green and White.

Though Class Day was a more emotional experience than the Commencement Exercises at the amphi-theater, we knew as we watched each senior receive his diploma that their leaving was now official and that we were saying goodbye to some of them for the last time.

Rested, tanned, and full of enthusiasm, we were eager to assume our new place on the north side of the gym. Eagles born and now, Eagles bred, the ring of our new home—the junior class—still felt strange in our ears. But we couldn't let that new crop of rats sense our hesitation, so we yelled louder than ever in assemblies . . . Juniors! Juniors! Juniors!

Immediately the whirl began . . . Mike Kennon, as president, kept us organized, Linda Bryan assisted him as vice president, Vicki Sears served as secretary, and Dick Rockey as treasurer.

As we ordered our class rings at the trophy case, we felt a little more like juniors—as if they were an official symbol. Student Council was busy again with Susan Strange, Sue McDermid, Bob Melton, Sandy Park, and Frosty Jordan as our junior representatives.

The Eagle football team had even more members from our class that year, and their spirit and effort on the field reflected that of the entire student body. The season flew by and we found ourselves again in the midst of Mums, crepepaper, late hours in garages, and all the excitement of Homecoming. Our colorful masterpiece, "Somewhere Over the Goalpost" was judged "prettiest float" in the parade with the theme "song titles".

Jaycee Field was the site of the game that year, though we bowed to Vero in our last game of the

season. Judy Huck, Sandy Park, Tommy Sue Thompson, and Charlotte Wood were proud to be cheering as the varsity squad stood behind both the football and the basketball teams. Two Juniors, Judy Grisso and Vicki Sears, were captains and co-captains of the J. V. Cheerleaders. Our five juniors were the strength of the basketball team and gave us a promise of a great season the next year.

With the cool weather came winter activities. December was one of the busiest months we had ever known. Since we sponsored Stunt Night on Dec. 5 and 6, our entry in the "Great Books Gone Mad" theme, a take off on *Peter Pan,* was not eligible to win but the audience's applause reassured us of its success. Coordinating the evenings' events were Becky Sims, Sandy Park, Marcia Adair, and Elaine Govostes. On the second night, Stunt Night King and Queen were announced; our class' Sandy Park reigned with senior Mike Picano.

As juniors we were eligible for membership in the Beta Club and the National Honor Society. Though only a few outstanding students measured up to their rigid requirements, we all felt pride when we witnessed the solemn initiation and heard their names announced, knowing how well they represented our school.

The busy first semester was only a warning of what we faced the last half of the year, so we plunged into

our two-week Christmas vacation for a brief "rest" before we resumed the race. (Did anybody say "rest"?) Sporting our new longer, stringier, floppier hair styles, we echoed the cries of the world and joined the mania for the Beatles. We were even known to dance the "dog" at the North Beach to the strains of "She loves me, yeah, yeah, yeah" while enjoying the new popularity of our local beach among the new cult of people—the Surfers. Some of us had even saved up $120 for our own boards.

Though not exactly a conventional Christmas, there was a Yule spirit aroused during the few cool days we had—especially in those of us who worked downtown till 9:00 every night wrapping miles of red and green ribbon around tons of packages! Even more spirit was aroused near New Year's.

However, we soon heard another kind of bell ringing—one all too familiar—telling us it was time to settle down to work again.

We soon faced the haze of semester tests, the beginning of practice for Spring Sports, and more dreaded Science Fair projects. And who were those battered and bruised girls walking around school? (You're right . . . S.L.C. and Keyettes were at it again!)

The annual Powderpuff game ended in a 6-6 tie, but the girls all won their own private battles, legally, on the field.

Re-instituting a dormant tradition, our junior class put on the first class play in many years, the hilarious "Do you Trust Your Boyfriend?", under the direction of our class sponsor, Coach "Czar" Bretherick. It's a good thing the audience didn't realize that half of the comical pandemonium on stage was for real!

In April we gave the seniors one of the most beautiful proms ever, entitled "Roman Holiday". Those beautiful white columns and grape clusters were the product of a thousand hours of work in E-5 every afternoon. And no one will ever know the love and tears put into making that fountain work!

The final month of school was almost a blur. Realizing that Mr. Garten would be assuming another position with the school board next year, that his familiar voice would no longer call us to attention on the intercom, we all took an extra moment to speak to him in the halls.

The end of May . . . another Class Day . . . yet our being veterans made us no less vulnerable to the tears at saying good-bye to another group of great kids. Yes, we said goodbye to many things as juniors.

Even leaving seats on the north bleachers somehow left behind a kind of security. But we reluctantly filed into the hallowed chairs in the center of the gym and gave that first foreign yell . . . 15 cheers for the SENIORS.

After one of the most wonderful summers of our lives, we turned to thoughts of school. Settling down to a schedule of classes was not a simple task after a summer of going to the beach from seven-thirty in the morning 'til eight at night. Our football players were hittin' early and football season got underway. For the biggest year yet we elected Terry Melton our Senior class president. Dick Rockey was elected vice-president, Joan Mueller as secretary, and Prissy Prindible, treasurer. Elected to Student Council under President Mike Kennon were Joe Godfrey, Judy Huck, Mike McCarty, Sue McDermid and Sandy Park.

Senior tests and National Merit exams came soon and everyone tried to make up for his grade averages by boosting high test scores on College boards. Ollie Olsen came up with the highest score on senior tests, and we were just as proud of Bob Baughman's becoming a National Merit finalist.

This year Homecoming meant a little more than it ever had before, and we worked furiously to finish our float, "Praise the Eagles and Pass the Ammunition," by the time of the parade, all the while thinking, "This is our last time." Varsity cheerleaders Sandy Park, Charlotte Wood, Judy Huck, Judy Grisso, and Tommy Sue Thompson cheered at the last football game of their senior year, played on Vero's field. Though we lost the game, "We're the Eagles" was shouted with every bit of our Eagle hearts.

The weekend after Homecoming found the Glee Club doing "Carousel," a really professional production!

Our six seniors led us into a winning basketball season, and the student body was behind the squad all the way. Even at the Group Tournament we had the best school spirit of all! (Have you heard about the jolly green giant?) Dick Grimes, Brian Tague, Dick Rockey, Denny McLaughlin, Bobby Snyder, and Bob Sugg found out that teamwork pays off all the way around—on the courts and off!

We lost the Group Tournament Championship to Cocoa by only two points. To the team, who played well enough to win over such an opponent, it was much more than just a loss, but they won the real victory by playing as a team.

Christmas vacation was welcomed as a time to slow down . . . and for the surf to come up. One way or another, it seemed that everyone had a board by New Year's. It was a tan bunch of seniors who came back to school in 1965—1965!!!!

Bobby Godwin and Linda Bryan, our class comedians, made our senior Stunt Night something to be remembered, and they were rewarded for the tremendous job they have done each year in Stunt Night. Being crowned Stunt Night King and Queen was hardly ample thanks, kids . . .

Soon we elected Superlatives and Who's Who, then

settled down to different things—semester tests for example. These were especially important because our class rank was determined by our average at the end of the semester—weren't they, Jackie??

Cupid reigned at the Sweetheart Dance, and the gym was decorated in the theme, "Love Potion Number Nine".

Bursting with Spring were many new activities and many new enthusiasms. The tennis team had a good season, though they played behind some chilly breezes. Ask the swimming team if it was cold . . . they could tell you the exact degree. Baseball, track, and golf were approached optimistically and in most cases it was rewarding. (Cary, David, Bob, and Larry seemed to have some sort of a new sport, too. I wonder how successful it was?!)

The days were becoming longer in hours, but it seemed that each was shorter than the next. As spring sports continued, all the bustle of graduation came up, and we began to realize graduation was no more a thing of future years.

Because the prom was so beautiful, and because we were all together for fun for one of the last times, we will treasure it always. As we made the Grand March there were some pretty salty smiles here and there.

Now we experienced Class Day, not as spectators, but as the graduating class. Who could help but remember his first impression as a sophomore? "Auld Lang Syne" had

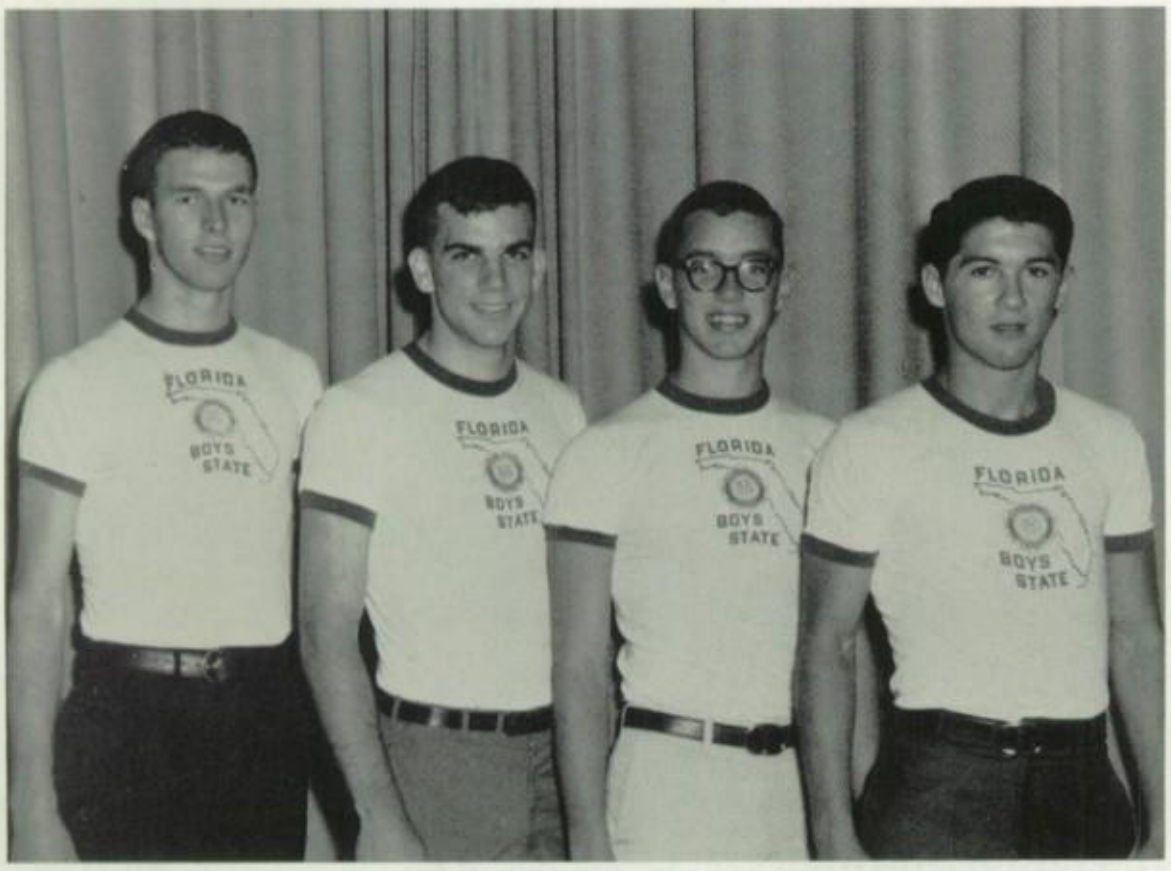
a strange and unfamiliar tone, and those last bars were often swallowed by emotion. Old dances, old clothes, old songs, and old beaux passed before us as we remembered the three great years we were leaving behind—yet taking with us.

Next came a beautiful and inspirational baccalaureate service, and finally, commencement. It was a bit hard to smile at the white "nightgowns" which had once seemed so funny . . . And as we walked up to receive that final, priceless gift from Dan McCarty High School, each step was a memory . . . Rat Week . . . first Homecoming . . . Stunt Night . . . Science Fairs . . . Class of '63 . . . the Twist . . . Amigos . . . cheerleading . . . "The Beatles" . . . class rings . . . football . . . semester tests . . . Junior Class Day . . . howls of Prom decorating . . . surfing . . . College boards . . . Christmas . . . and the arrival of 1965 . . . basketball . . . and when I die I'm an Eagle dead . . . the Prom . . . "We Sang in the Sunshine" . . .

And after graduation? . . .

"Fare thee well, and if forever,
Still forever, fare thee well . . ."

Boys' State



Brian Tague, Jeff Dalton, Mike McCarty, and Terry Melton

Participating in Boys' State is an honor and a privilege which will prove valuable for many years to come. This one-week program is designed to build dependable leaders and to give each boy a better understanding of our state government.

Upon registering, each citizen is arbitrarily assigned to one of the two political parties. Active campaigning in the form of speeches, rallies, and handshaking follows and continues until the last election has been decided. As elections are held on the city, county, and state level, every boy is given an opportunity to run for an office.

Instructions in governmental procedure are given by past Boys' Staters and by men well-known in both state and national politics. This knowledge gained in Parliamentary procedure is second only to the experience of making new friends.

All too soon this eventful week comes to a close. But as each Boys' Stater leaves, he takes with him many long-lasting memories and a stronger concept of our state government.

Girls' State

No words can express the excitement a junior girl experiences when she learns that she has been chosen to represent the American Legion Auxiliary of Fort Pierce at Girls' State. Girls from all over the state congregate at Tallahassee in June to learn how to run a government.

Representatives to Girls' State spend a busy week learning the procedures of local, state, and national governments. A few of the activities which fill the first part of the week are campaigning, speech making, and rallying. Finally, the excitement subsides as state elections are over, and the girls spend the rest of the week in the legislative branch of the imaginary State of Seminole.

In addition to serving in the house of chambers of the Capitol Building, the girls tour the Capitol and Supreme Court, meet the governor of Florida, participate in Talent Night, print a newspaper; but more important than all these, make many lasting friendships. Suddenly, the night of graduation arrives, and the girls realize that it is almost over. The next morning, they each journey home taking along, packed with their other belongings, fond memories of one week magnificently spent.

Jackie Henning and Cheryl Herrmann

I think continually of those who were truly great . . .

And left the vivid air signed with their honor.

Comprised of girls excelling in scholarship, leadership, and character, Keyettes hold positions in school and receive titles among superlatives, Senior Who's Who and other distinctions. The Homecoming Queen, Miss D.M.H.S., and several other superlatives were Keyettes. Among our projects this year were a periodical "spirit spot," Eagle frame for the football players, annual Powder Puff Football game, cleaning of trophy case, and participating in Stunt Night. Our entry in the Homecoming parade was entitled "The Early Bird gets the Worm" and won the prize for the most original entry. Keyettes worked with their brother organization, the Key Club, to help them decorate for the Sweetheart Dance. We served the Kiwanis Club along with the Key Club during the Gas-o-rama.

The Key Club, as its name implies, is a club made up of the key (male) members of the school. The purpose of the club is to provide various services for the school and community. Several of the services to the school, provided by Key Club, are the buses for the out-of-town football games and the Sweetheart Dance. Then there are two other special services that we do for the community. Some of these are the aiding of Kiwanians in their Christmas tree sales, and with their gas-o-rama. Besides these services mentioned, the Key Club is always ready to help in any job when called.

Key Club International gives the McElvy Single Service Award each year to the club with the best single service project. Our single service project is the helping (financially or otherwise) of unfortunate families whose bread-winner is hospitalized or otherwise kept from working.

The Key Club is guided by their sponsor, Mr. Jack Stockton and the Kiwanis advisor, Mr. Jack Hearn. Our club is greatly indebted to these two men.

Sigma Lambda Chi is a service club made up of 40 Senior, Junior and Sophomore girls who excel in scholarship, leadership and character. SLC bought the mats in the entrance to the gym with the money earned last year. This year we have many service projects. Our honor board is a familiar sight to all those in the main corridor. We honor a student, teacher, club or team every two weeks on this board. SLC also participated in the Powderpuff football game. We provided ushers this year for the reserved section at all home games and at these games we also sold "spirit ribbons" and spirit mums. One of the main projects this year was our babysitting service for the teachers. We provided a babysitter for any teacher, any time, free of charge. We also sponsored the Homecoming Parade and provided the queens float, one of the nicest in the parade. We entered our stunt "Pocohontas" in Stunt Night and had one of the winning stunts. We plan to use our money earned this year for some worthy cause.

In two short years Interact has grown to become one of the important service clubs at Dan McCarty. This past year has been a great success. Since September we have completed more than fifteen school and community projects, including our work on the school parking lot, selling tickets at the various athletic games, distributing sports schedule calendars and giving out the posters for the United Fund. At school we had the D.M.H.S. Fighting Eagles painted on the back of the gym, once again bought the school flags, distributed books at the beginning of the year, plus several other projects. We have enjoyed doing this work very much and those of us who are graduating know that only the groundwork has been laid. We know that the work of this organization will never be finished as long as the American way of life exists. The service of Interact has only just begun.

The Civinette Club consists of girls who are outstanding in scholarship, leadership, character, and service. This year the club helped promote school spirit by selling green and white shakers at football games. Other projects include: Submitting a float in the Homecoming Parade, giving a Christmas and Easter party for the retarded children at the Deleware school, honoring the teachers with corsages and bountonnieres on Teacher Appreciation Day, and entering a skit in Stunt Night, of which won honors. The Civinette Club has been honored to have as its sponsor, Miss Valette Jordan.

Junior Civitans

The purpose of Junior Civitans is to encourage and direct the "Building of Good Citizenship." Since 1956, when the D.M.H.S. Junior Civitan Club was formed, increasing cooperation with the Senior Club has helped us to realize this goal.

A club is only what one makes it. The Civitans, chosen on the basis of character, leadership, and friendliness, has made this club one of the outstanding in our school. Activities for the year include: entering a float in the homecoming parade, a Thanksgiving basket, donations to various school projects, assisting the senior club in the sale of fruit cakes, working at the Civitan Child Care Center, and bettering the relations between clubs through competitive activities.

Anchor Club

The Anchor Club is sponsored by the Pilot Club and a statewide as well as a nationwide organization. A "B" average and qualities of leadership, scholarship, character, and service are a must to become an Anchor member. Some of the activities of the club include: Selling of Roses for Valentine's Day, Sponsoring of *Smile Week*, which is terminated by the big "Smile Dance" and the crowning of the king and queen of Smile Week, and helping the Pilot Club each year with their home show. Besides these activities Anchor members still had time to participate in the Homecoming Parade, Stunt Night, and various service projects.

Representing the student body, promoting better student-faculty relations, co-ordinating club activities, and furthering high citizenship are some of the general aims of the Student Council. One of the major and most important organizations in the school, the Council this year had a Victory flag made, sponsored All-school parties, held a Faculty tea, introduced a new constitution, headed various fund drives, and numerous smaller projects.

The National Honor Society selects its members on the four qualities of character, scholarship, leadership, and service. Membership in the Honor Society is limited and considered a great honor. This year the Honor Society produced and sold Student Directories. It also sponsored the district meeting of the National Honor Society and was selected to serve as its division president for the first term. In February it took in 36 new members. Its tutoring service was continued, delegates were sent to the State Convention, and annual covers were sold as a club project and service to the students.

Along with building club membership, Beta Club has strived to become active in school functions.

This year they entered "We came, We saw, We conquered." They also entered an in-between act, "The Goof-Offs" in stunt night.

Beta Club's project this year was to sell spirit pennants to raise money for new backdrops for the stage.

Because of their increase in membership, Beta Club is looking for an even bigger, and more active year next year.

The Dan McCarty High School chapter of Mu Alpha Theta, national mathematics club, was granted a charter in 1960. There has been a renewal of this charter each year since that time. This club fulfills the purpose of offering students the opportunity to pursue mathematical topics not met in regular classroom work. The most important activity of the club is that of a visiting speaker on mathematics. Arrangements were made through the National Science Foundation for Dr. Bruce Wavell of Rollins College to speak to the students interested in mathematics. Dr. Wavell chose as his topics "The Relation Between Propositional Calculus and Binary Arithmetic" and "Transfinite Numbers and Infinite Sets." Other activities include a victory dance sponsored by the members for the purpose of raising money to furnish a bookcase for the mathematics Department to be placed in the new E wing.

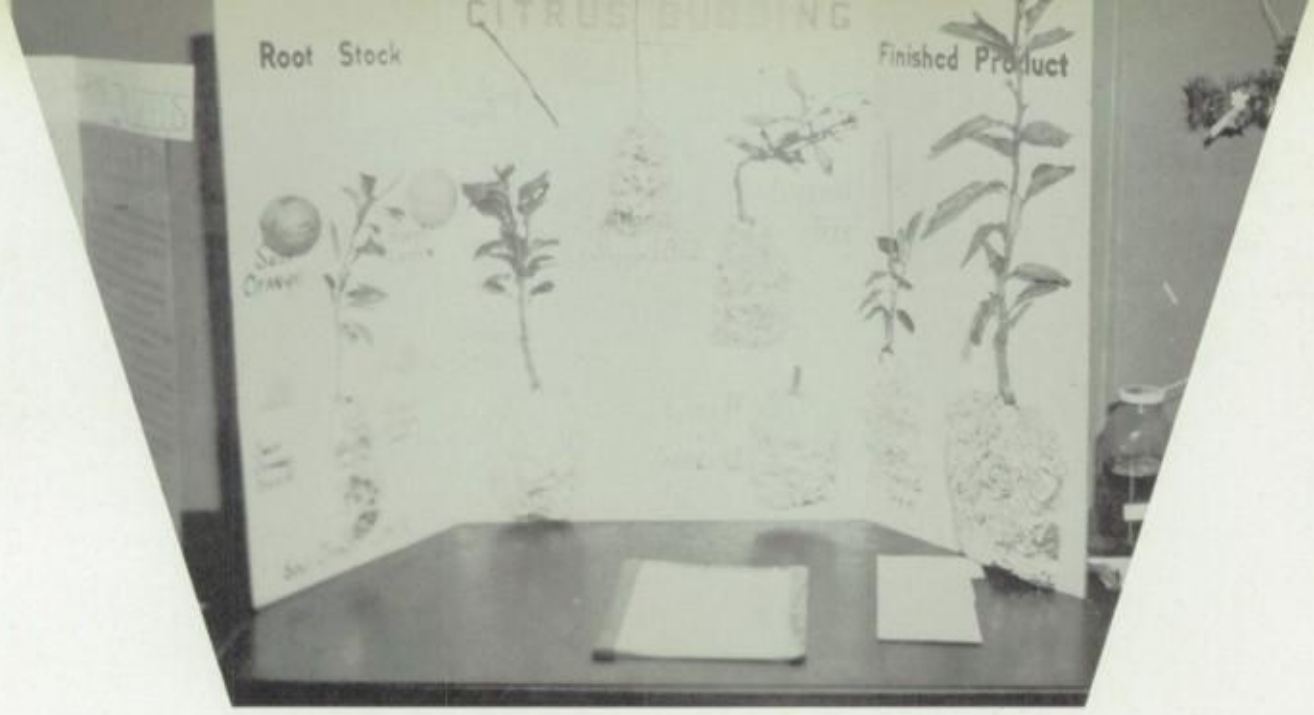
At each meeting, the Science Club sponsors either lectures on some up-to-date scientific subject, movies or field trips. It provides students with an opportunity to pursue scientific topics not met in regular classroom work. Plans have been made to hold a meeting with the Science Club of Martin County High School. The Science Club also helps out with the Science Fair.



Our Industry

Science Fair

The Dan McCarty High School Science Fair drew a record crowd with its exhibits in the fields of science, art, language, and home economics.

Students receiving blue ribbon awards for science exhibits were Howard Ackley, Dennis Martin, Robert Dukes, William Bond, Wayne Harrison, David Hardman, Alan Becker, Judy Grisso, Sue Carole Bond, Linda Lawaitis, Betty Susan Cohen, David Pottorff, Helen Hayslip, John King, Richard Tucker, Shirley Carpenter, and Sharon Deffendall.

Our Town

Library Council

The Library Council is affiliated with the Florida High School Library Council. The purpose of the club is to familiarize the students as well as ourselves with library procedures and materials. Each year the club enters the homecoming parade. The 1964 theme was "The Only Good Indian is a Dead Indian". One of our projects is the lettering of annuals. The money from the project in 1964 was donated to the John F. Kennedy Memorial Library.

Youth Nutrition Council

The Youth Nutrition Council was organized September, 1963. The purpose is to encourage teenagers to eat well balanced meals, that will give them the proper nutrients to be healthy adults.

In February, 1964, Mrs. Mitzi Renner, our sponsor, and the students attended the 1st State meeting of the Youth Nutrition Council in Tallahassee, Florida.

Our project is ways to increase participation in the school cafeteria. We have learned that eating snacks for lunch is injurious to our health.

G.A.A. entry in the Homecoming Parade . . .

During the 1964-1965 school year, the G.A.A. was very active. Besides their daily games, they participated in many outside activities. For the first time, they sponsored a rummage sale to pay for their entry in the Homecoming Parade.

The main event of the G.A.A.'s was the all-star basketball game against the Junior College. This association owes all of its success to their sponsor, Miss Rose Wiesenbacker.

Physical Fitness Record Breakers

In 1962 the physical fitness contribution of physical education began to be emphasized. As part of this emphasis a physical fitness test was developed in which seven events were used. These two boys set new records in this year's competition.

Dan McCarty High Girls' Chorus

1964-65 turned out to be a big year for the McCarty High Glee Club. In addition to the usual school assemblies, the Chorus performed before local civic organizations, on radio, and on television.

The Glee Club's presentation of Rodgers and Hammerstein's "Carousel" proved to be a great success. Equally successful was their Christmas Concert at the First Federal Loans and Savings Association.

Probably the most talked-about topic among the Glee Club members is the new choral room, a long-needed addition to the Music Department.

Out-of-town excursions were made to Jacksonville for State Clinic, Daytona Beach for State Contest, and West Palm Beach and Lake Worth.

The Dan McCarty Band has kept the tradition of outstanding bands which was begun in 1937 when the band was first organized at the old Fort Pierce High School. This past year, they appeared at the New York World's Fair before more than 40,000 spectators at the Florida Pavilion, and at the Pool of Industry. The band also appeared in the Orange Bowl as the Miami University Hurricanes met Tulane November 6. The band appeared on the field to do a half-time type show.

The band also marched and played for each of the Eagle football games. In the past 8 years, the band has missed only three games.

In District 8 marching contest, the Band scored a Superior (number 1) rating as it strived to qualify for state band finals in May. Later, the band appeared in Tallahassee for the January Inauguration Parade of Governor Haydon Burns.

The Twirlettes, the twirling corps of McCarty High, are now trying for their 8th consecutive State twirling championship Superior rating.

THE NATIONAL ORGANIZATION FOR BOYS STUDYING VOCATIONAL AGRICULTURE

Having its origin and root in Vocational Agriculture, the Future Farmers of America, or "F.F.A.", as it is more commonly known, is the National Organization of, by, and for boys studying Vocational-Agriculture. A non-profit, non-political farm youth group, the F.F.A. is designed to improve country life through the development of agriculture leadership, character, thrift, scholarship, cooperation, citizenship, and patriotism. The Fort Pierce Chapter of F.F.A. has a wide and varied program of work each year and takes part in the State and National Conventions In local cattle shows and at the State Convention, prize animals are exhibited. The F.F.A. Fish Fry brings needed funds into the treasury of the chapter. Through his supervised farming program, each member participates in agricultural activities and at the end of the year participates in the F.F.A. Banquet.

It is hard to believe that with all we have written this year in "our book" that we are now writing our final words as editors of the 1965 Santa Lucian. We can only present you now with it as "your book" and hope that it conveys our message.

We want to thank the many people who helped and cooperated with our staff this year; without them the publishing of this annual would have been impossible.

We have written this book around McCarty High's Alma Mater, the most beautiful song in the world to a senior singing it for the last time.

We feel that the Alma Mater has captured the spirit of Dan McCarty High School; we have tried to record your part of that spirit.

We relinquish our positions now to the 1966 Santa Lucian Staff; yet despite the tears we have shed over late hours, finances, and deadlines, our tears are now at leaving it all.

We have enjoyed editing the 1965 Santa Lucian . . . May it mean as much to you as it has to us.

Sincerely,

Judy Grisso

The Green and White is the school newspaper edited by the students for the students. The main purpose of the school newspaper is to keep the students at Dan McCarty informed on all activities carried on at our school, and on all the news about the people that make up Dan McCarty. The activities on which we report range from football and basketball games to the Sweetheart Dance. During the school year special editions are printed. Some of these editions are: Football issue, Homecoming issue, Christmas issue, and the Valentine issue.

Another activity we take part in, besides printing the school newspaper is selling candy at all the home basketball games of the "Dan McCarty Fighting Eagles."

Diversified Cooperative Training is a program designed to train students in a vocation of their choice in both theoretical and practical learning. Two school periods a day are devoted to this work, namely general related, where social security, income tax, insurance, money, and banking are discussed; and specific related, where the actual theory of the job is studied.

Students usually report for work at 1 p.m. and work until closing time. They are paid on the same scale as other regular employees. This money in many cases permits some students to finish school where otherwise they would have had to drop out.

Fort Pierce has quite a diversified group of training agencies. They range from service stations, to the hospital to the telephone company.

This program is open to any student 16 years of age, who has completed the sophomores year and has met the minimum school requirements.

FOREST HILL VS. McCARTY

Ready for action, the Eagles met the Falcons of Forest Hill before a crowd of enthusiastic fans. Neither spirited fans nor the fighting Eagles gave up until the whistle blew to end the game and pronounced the Falcons as the victors with a score of 39 to 7. The team captains were Jeff Dalton and Wayne Fuzzard.

LAKE WORTH VS. McCARTY

At Lake Worth we suffered our second defeat. Both teams fought long and hard but the Eagles were compelled to accept the loss of 21 to 13. The team captains were Terry Mosley and Donnie Mullins.

RIVIERA BEACH VS. McCARTY

The spirit was high at Dan McCarty when our Eagles took on the Hornets of Riviera Beach. Both teams were ready for a tough game on the gridiron and the Eagles came out on top to win their first game of the season by a score of 21 to 14.

MELBOURNE VS. McCARTY

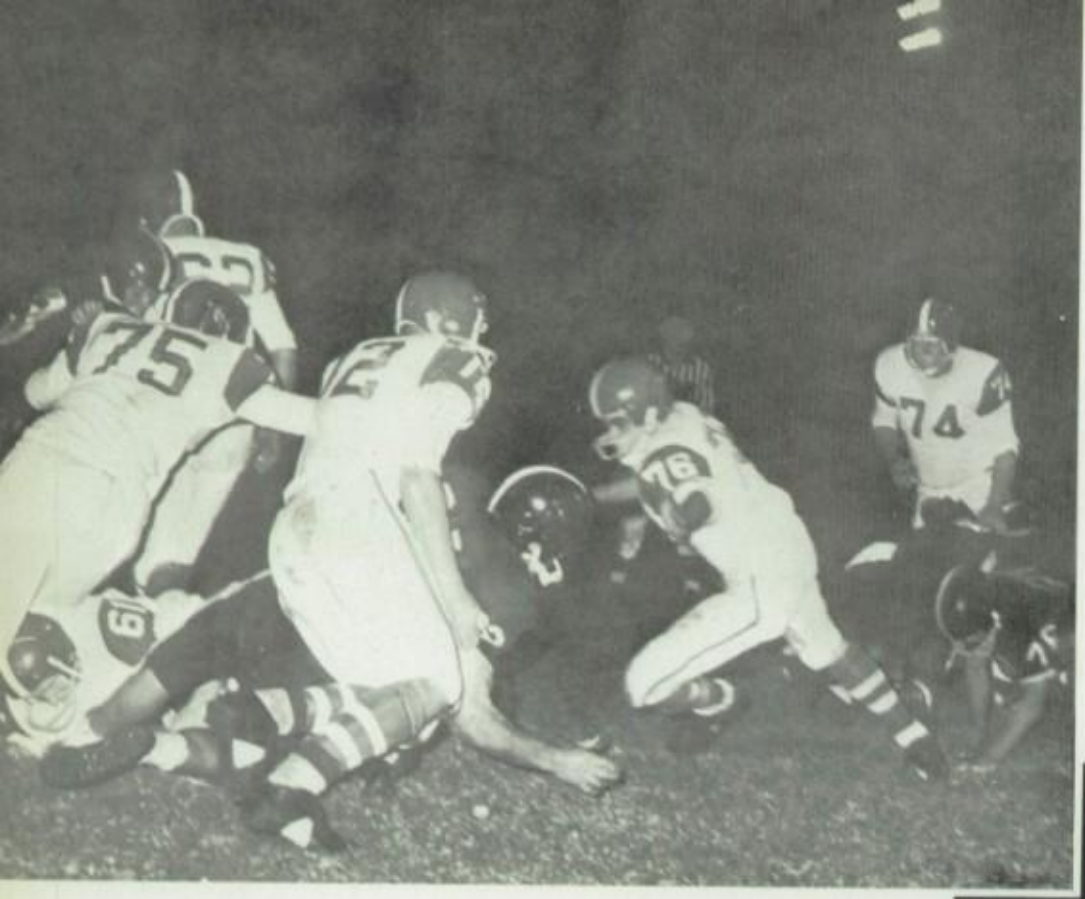
The winning of the previous game not only presented to the fighting Eagles a challenge but also rebuilt the school spirit to a high level. This display of a well-noted McCarty spirit remained until the last play of the game. The final score left McCarty with a defeat of 40 to 6. The captains were Mike Landrum, our faithful and constant center, and Dick Thomas, a guard.

STUART VS. McCARTY

With losses greater than victories the Eagles met our Southern rivals with the desire to win. The game was long and hard for our Eagles, but spirit was still high. The Tigers presented McCarty with another loss. The captains for this depressing game were Terry Mosley and Bill Tinney. Final score was 25 to 0.

SEACREST VS. McCARTY

The Eagles traveled to Seacrest to meet the Seahawks on Oct. 23. The fans were enthusiastic and loyal as in previous games but watched the Eagles be defeated in the first half with little hope of recovery. The final score 52 to 0 is one that the team and students would like to forget.



PALM BEACH VS. McCARTY

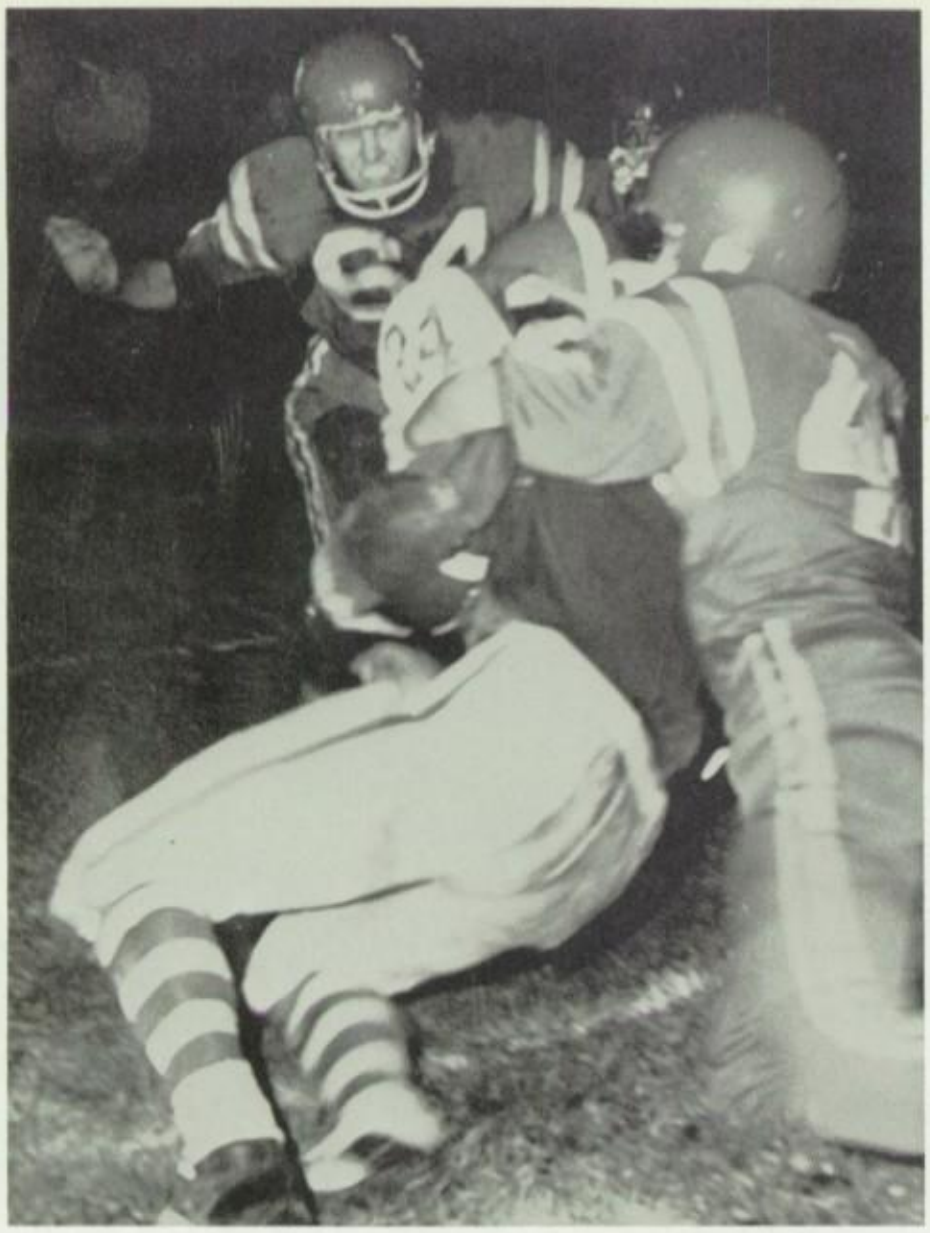
The Eagles hungry for a victory met the Wildcats of Palm Beach at Jaycee Field. Palm Beach is on top of the Suncoast Conference. Both teams played a hard game on the gridiron, but the mighty Wildcats took the win by a score of 35 to 0. Team captains were Jeff Dalton and Terry Mosley.

BELLE GLADE VS. McCARTY

After two weeks practice the Eagles took on the Rams of Belle Glade. The Green and White flew high as the team kept the spectators on the edge of their seats with a great defensive game. Showing a great degree of leadership were Jeff Dalton and Terry Mosley team captains who turned in a score of 0 to 0.

PAHOKEE VS. McCARTY

The Blue Devils and Eagles both looking for a victory met at Jaycee Field in front of a home crowd of many. Although the Blue Devils hadn't won any games they fought hard against the mighty Eagles but when the final whistle blew the Eagles came out on top 13 to 0.



Homecoming

This year the Eagles and the Indians met on the Indians' battlefield in Vero. After what seemed to be a prosperous beginning, when Jeff Dalton caught an Indian pass and made the Eagles only touchdown, the Eagles slipped behind and relinquished the game to a determined Indian tribe. The final score was 27-6.

Basketball

After the very first game, the McCarty fans showing more spirit than usual were enthusiastic about the forecoming season since the Eagles scored over 100 points for the first time in McCarty history. Many of the team's points this year came from Bobby Snyder, who proved to be the only McCarty boy to score over 1,000 points in High School basketball. None of the victories could have ever been possible without the determination and courage of all the players on the team. Dick Rocky became known as the spark plug of the McCarty team because of his quick actions. Bob Sugg, a 6 foot 3 inch senior, became known as the Jolly Green Giant.

When the team was asked how they felt about Coach Wrench, the unanimous reply was: "Coach Wrench, he's the greatest. He has taught us everything we know. He is more than a coach, he is something different to each and every one of us. He is a friend and a second father to all of us. He is always there patient and understanding. He is our coach."

Swimming, a spori characterized by occasional colds and bloodshot eyes, got off to a chilly start early in December. The team has great potential, but practice makes perfect so only time will tell. COACH BIEDENHARN, CAPTAIN JOE GODFREY

Already halfway through its 1965 season, Dan McCarty High School boys' and girls' team show promise of having their best season. For the first time in years, the boys team defeated a powerful Palm Beach team, and nearly upset Forest Hill, last year's conference champion. Improving each day, McCarty expects to be a serious contender in the group meet in early April. At the midpoint of the season, the tennis team views the remainder of the schedule with confidence and Coach Biedenharn, who has worked hard with the team all season, is helping prepare them for the State Meet on April 15.

The Girl's Golf Team

Left to Right: Susie Sample, Val East, Kathy Hess, Prissy Prindible, Mary Hess, Stella McDermid, Judy Del Rosso.

The 1965 girl's golf team played 8 matches in the conference this year, and made a commendable showing at each match. Golf takes many afternoons of hard work and much patience. It is a sport in which individual effort as well as teamwork must be shown. The season will end with the star golf meet, which is to be held at Port St. Lucie in April of this year.

COACH MORE, CAPTAIN JIMMY BAKER

Perfect Form

Golf is a sport which requires many afternoons of hard practice and much patience on the part of the players. The 1965 Eagle Golf Team teed off to a very full season of eleven matches. The boy's and girl's team made a fine showing in competition this year.

Track Team

Bottom Row, left to right: Nicky Summerlin, Larry Gates, Bob Tillman, Robert Green, Donald Foss, Craig Carter, Don Romanello. *Second row:* John Weathers, Jim Sutherland, Richard Proctor, Pete Summerlin, Ronnie Beaver, Danny Quillin, Lee Granger, Larry Gruwell, Manager James Whittington. *Third row:* Randy Bray, Stafford Wagner, Curtis Lowe, Barry Sutherland, Earl Lindsey, Jack Hebb, Fred Wells, Jim Steverson, Jimmy Forbes, Dick Thomas.

MANAGER: RUSSELL WEBER

Coach Stockton explains while Russell Weber and Earl Lindsey listen.

Work Out

RELAY—John Green, Bob Tillman

START—Jimmy Forbes, Craig Carter

LOW HURDLES—Donald Foss

As in all sports, the practice for track is long and hard. Many hours are spent limbering up so that the boys will be in perfect condition for the meets.

It is often thought that track consists of running alone. This is wrong indeed. Although many are running events, many are field events. Running events include the mile run (440 run) and 1/8 mile run (220 dash) also the 100 yard dash. The running events include the 180 yard high hurdles and 120 yard low hurdles.

DISCUS—Fred Wells

SHOT PUT—Jack Hebb

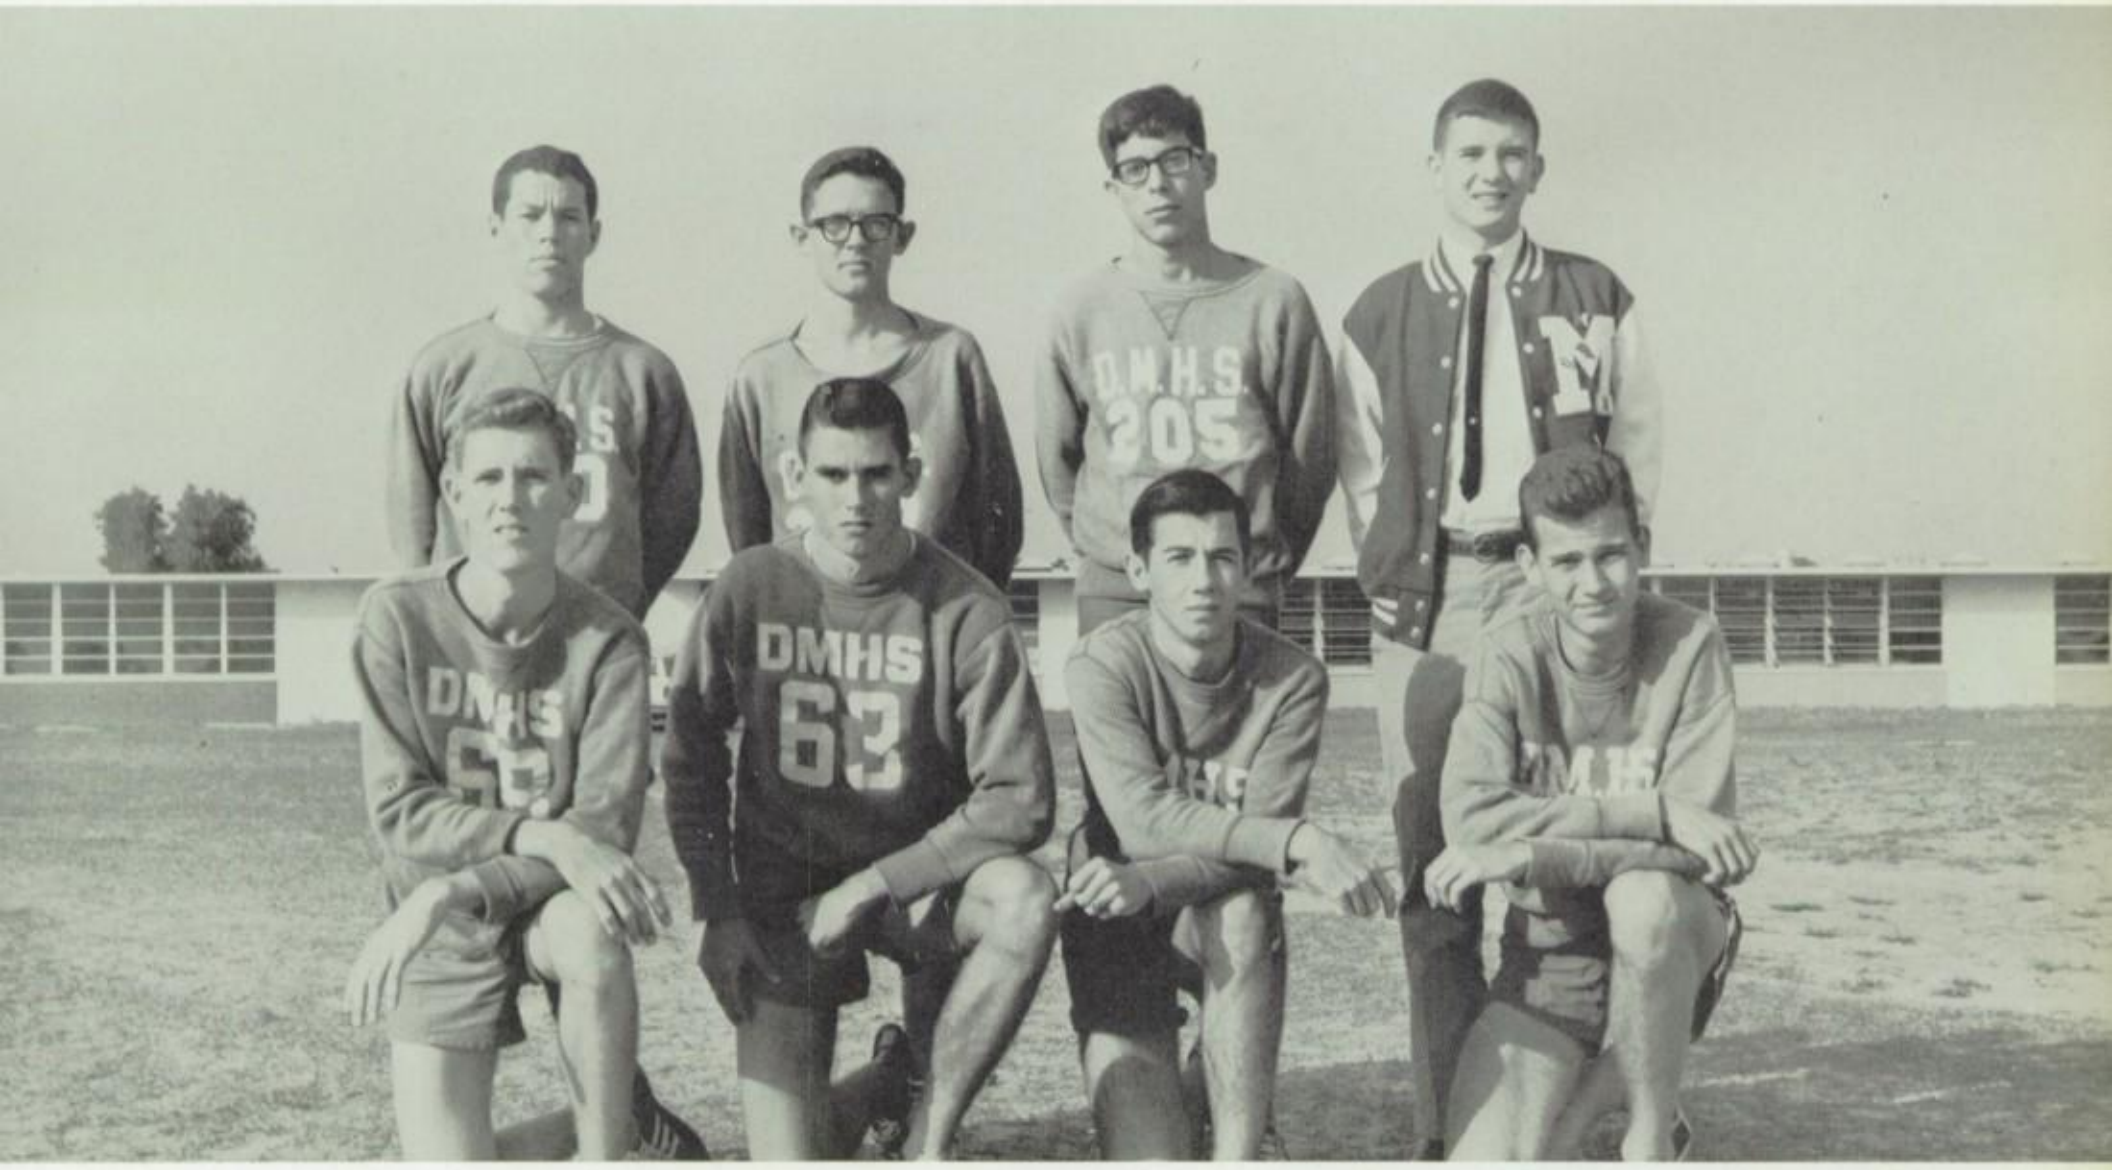
HIGH HURDLES—Earl Lindsey, Gary Gilmore

Track is one of the most individual of all team sports. Each member practices his own event during the week. The boys who are sent to the meets are always the best from each team. There are close to 40 boys participating in the track program this year. To be included in this activity are all of our football players for next year. These boys have been working out with the team each day. Coach Stockton has high hopes for the season which started March 3, against Lake Worth.

Field Events:

Shot Put
Discus
High Jump
Broad Jump
Pole Vault

Cross Country



Bottom Row, left to right: Jim Steverson, Barry Sutherland, Larry Gates, Bruce Banna. *Top row:* Jeff Harward, Richard Proctor, Don Romanello, Manager Rusty Applebee.

Long and hard practice, which began quite some time ago, is required for the boys running in the Cross Country race. They must be in perfect condition for in order to show their best results.

This was Dan McCarty's first year in this somewhat new sport. The Cross Country run consists of a 2-mile run over hill and dale and across many types of natural obstacles. One of the main purposes of this sport is to condition the track runners.

The school record, currently held by Barry Sutherland is 10 minutes 26 seconds for this 2 mile course. The McCarty team ran in the state meet which was held at Gainesville in November. Our boys finished in the top 20 of the state.

Baseball

Steve Chandler, Terry Mosely, Bob Gaban, Bobby Snyder, Dick Rockey, Zac Jenkins, Mike Morris, Steve Chapman, Coach Shay, Jack Harton, Mike Zarcone, Chuck Mims, Reed Hamilton, Stan Gurdville, Billy Elder, Richard Myers, Chris Bright, Bob Melton, David Burrows, David Walters, Alan Cross, Jim Lindsey, Dick Grimes, Wayne Fuzzard, Ed Bates, Jim King.
